

 **Speedglas™**

Welding Safety

A welder wearing a 3M Speedglas G5-03 helmet and brown leather gloves is welding a metal structure. Bright sparks are flying from the welding point. The background is dark, and the scene is lit by the intense light of the weld.

Introducing 3M™ Versaflo™ Welding Helmet G5-03

NEW 3M™ Speedglas™ Welding Helmets G5-03 Series has been developed for a versatile welder who performs a variety of welding and grinding tasks and do not want to compromise on function, performance OR safety.
